## OMIVIS MULTI-ACTION

100 ml + eyecup 12 pcs

Eye wash for daily eye hygiene and hydration; relieves in case of eye irritation or allergies; removes foreign bodies and pollens.

Thanks to its innovative formulation with Hyaluronic acid, fluid extract of Eyebright (*Euphrasia officinalis*) and Aloe vera gel, it is a biocompatible product and very well tolerated also in case of very sensitive eyes.

**INDICATIONS:** Hydrates, relieves red, tired or irritated eyes; washes and refreshes. Ideal also in case of reddened eyes due to prolonged contact lenses wearing time; ocular discomfort due to closed, smoky or air conditioned environments, sea or swimming pool water; dry eye sensation; foreign body sensation from excessive exposure to sunlight, wind, dust; helps to delicately remove creams residues (in case of pharmacological treatments).

Product compatible with homeopathic remedies.

The product should be used within 90 days after the first opening.

Formulation adjusted to be close to the physiologic pH of the eye (pH 7.2). Does not contain Benzalkonium chloride, Chlorhexidine, Thimerosal.

Compatible with all types of contact lenses.

Sterile Medical device.
